SAHANA R

Junior Full Stack Developer

sahanaramalingam20@gmail.com | +91 93617 30744 | Ariyalur, Tamil Nadu | Github.com/sahana20-10

OBJECTIVE

To obtain an entry-level Junior Full Stack Developer position where I can apply my knowledge of programming, web development, databases, artificial intelligence (AI), and problem-solving to build reliable and user-friendly applications. Proficient in developing web applications using PHP, JavaScript, MySQL, HTML5, and CSS3, with working knowledge of Java, Spring Boot, Express.js, and React. Familiar with AI-powered tools for website development, code generation, debugging, and improving development productivity. Eager to gain industry experience, take on new technical challenges, and grow into a skilled software professional.

EDUCATION

B.Sc. Computer Science	Rajah Serfoji Government College, Thanjavur	75.92%	**2023 – 2026**
HSC	Amalraj Matriculation Higher Secondary School, Thiruvaiyaru	69%	**2022 – 2023**

TECHNICAL SKILLS

Programming	:	Java (OOP's, Inheritance, Polymorphism, Encapsulation, Abstraction, Exception Handling), Python(Function File Handling, Modules), PHP (Functions, OOP's), JavaScript (ES6, DOM, Event Handling)
Frontend	:	HTML5, CSS3, Bactstrap Responsive Web Design, DOM Manipulation,React
Backend	:	PHP, SpringBoot, Express.js
Database	:	MySQL (Cories, Joints, Indexing, crud Operations)
Tools & Technologies	:	GitHub, VS Code, Eclipse, XAMPP, Apache,Google Gemini,Claude,ChatGpt,AI-Assisted Coading
CoreConcepts	:	Data Structures, Algorithms, Object-Oriented Programming, Web Development, Problem Solving, Debugging

EXPERIENCE

Dragon Media IT Solution **6 Months (May 2026- October2026)**

Full Stack Development

- Contributed to web application development activities involving frontend interfaces, server-side functionality, and database integration. Assisted in implementing responsive web pages and interactive user interfaces using HTML, CSS, JavaScript, and PHP.Worked with database-driven application features and REST API integration to support communication between application components. Participated in debugging, functionality testing, and iterative improvements to existing web applications.

ISYSWAY Technologies **March 2025**

Web Development Intern

- Practiced HTML, CSS, JavaScript, Java, MySQL, and developed responsive web pages and small-scale applications.- Improved practical understanding of web development workflows, code organization, and application testing.

PROJECTS

Aadal Vallam Samrajiyam Responsive Web Design, JavaScript DOM, PHP, MySQL, REST API Integration

- Developed an online registration system with payment integration and user dashboards.Implemented an admin panel for payment verification, payment proof uploads, and registration management Automated Guru notifications and reminders to improve communication and registration follow-ups.Developed customizable seat allocation and report generation features, including Guru-wise and zone-wise reports. **aadalvallansamrajiyam.in**

Cyber Gate JavaScript DOM, PHP, REST API Integration,Responsive Web Design,MySQL,Geoloaction API

- Developed a responsive attendance management system with separate Staff and Admin interfaces.Implemented geolocation-based attendance tracking with punch-in/punch-out functionality and late-arrival monitoring.Developed attendance reports and salary calculation features based on attendance records and working hours.Created a user-friendly landing page and dashboards to simplify staff management and attendance monitoring. **cybergate.dragonmedia.in**

Strike Sense MySQL, REST API Integration,PHP,Responsive Web Design,JavaScript DOM,EmailJS,Angel One API

- Developed a dynamic financial services platform featuring Indian stock market and Forex trading strategies, with dedicated landing pages and customer dashboards.Implemented separate customer and admin interfaces for managing customer information and platform operations.Integrated EmailJS for automated email communication and the Angel One API for market-related data.Developed invoice generation functionality with customer signature capture and digital signature support. **strikesense.in**

CERTIFICATIONS

Back End Development and APIs - freeCodeCamp (2025)
Git & GitHub - Codeacademy (2025)
Responsive Web Design - freeCodeCamp (2025)
JavaScript Algorithms and Data Structures - freeCodeCamp (2025)
English &Tamil Typewriting - Senior Grade

LANGUAGES

Tamil, English
